

UPWELL ACADEMY

On behalf of the children, I would like to say a special thank you to the local companies who have donated items to help us provide the children with a fun and festive Christmas week.

B & Q, Pro-Edge & JN Electrical for Christmas trees and decorations, Morrison's for Christmas crackers and popcorn and Argos for class prizes. Not forgetting FOSA and the fab selection boxes.

I would like to thank my staff for their hard work and dedication, and the children for simply being wonderful! I wish you all a healthy and happy Christmas break.

If anyone in your household bubble contracts Covid-19 over the Christmas period, we do ask that all cases are reported to Mrs Norman via Class Dojo.

Elves

Our naughty little elves have been causing trouble this week at our academy. The staff came to school on Monday to find all the classroom doors decorated and Christmas trees in every class!

DATES FOR THE DIARY

January

4th—Staff Training (school closed to pupils)

5th—Children Back to school (Tuesday)

14th & 15th—Year 5 Bikeability

Spelling Spotlight

This week's spelling Spotlight is a suggestion sent in by Louis in year 2, to make his spelling words into a word-search. This is great for all spellings. Well done Louis.

Here is one possible site that can generate your spelling words into a word-search.

Year 5: Poppy

Year 6: Thomas

Dojo Points Award

Year R: Leo

Year 1: Bethany

Year 2: Olive

Year 3: Charlie and Chaney

Year 4: Jesabel

Year 5: Brooklyn

Year 6: Evie

Upwell Panto—Cinderella

Upwell Academy held it's very first panto! The teaching staff entertained the children via a live stream into each classroom. Well done ladies, you were fab!
