

## Looking back and looking forward

Dear Parents, Carers and Members of the Community,

As we approach the end of this academic year, it is an opportunity to pause and reflect on the successes and achievements that have shaped our school community. Although my time at Upwell has been very short, I know that there have been memorable experiences that have not only enriched our children's learning but also fostered a strong sense of community and togetherness.

One of the highlights was the Year 6 residential trip, where students formed lasting friendships and created unforgettable memories while exploring new challenges together.

We also want to express our heartfelt gratitude to the Friends of School Association (FOSA) for their incredible support. Their efforts in organising so many enjoyable experiences have brought delight and excitement to our students, creating fun-filled opportunities for social interaction and personal development.

Sports Day was another roaring success, showcasing the talent, determination, and sportsmanship of our students. It was incredible to see so many family members come together to celebrate not only individual achievements but also teamwork and school spirit.

As we celebrate these accomplishments, we also look towards the future with enthusiasm. In the upcoming academic year, we are committed to enhancing communication with parents and carers, ensuring that we work collaboratively to support our children's education. Our focus will be on raising standards, improving attendance, and developing positive behaviour and attitudes among our children.

Thank you all for your continued support and dedication to our school. Together, we can look forward to a year of growth and achievement.

Wishing you all a wonderful summer break!
