This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, extra-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our academy offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

Upwell Academy timetables 30 minutes music lessons every week.

Our Music lessons are planned using the Get Set 4 Music platform, which aligns with our core values, our whole child approach to Music and the objectives laid out in the National Curriculum. Get Set 4 Music is planned so that progression is built into the scheme which ensures our children are increasingly challenged as they move up through the school.

The curriculum planning in Music is carried out in three phases (long-term, medium-term and short-term). The long-term plan maps out the Music topics covered in each term during the key stage. Our medium-term plans give details of each unit of work for each term. These schemes of work provide an overview of the unit, links to other areas of the National Curriculum and assessment criteria for that unit. The short-term lesson plans provide opportunities for children of all abilities to develop their musical skills, understanding and depth of knowledge by offering learning opportunities that build on pupils' previous experiences.

Part B: Extra-curricular music

This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles and bands, and how pupils can make progress in music beyond the core curriculum.

Music Tuition is available for Recorder, Flute and Clarinet. Please contact the academy office for more details.

Part C: Musical experiences

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

- Children take part in a singing assembly once a week.
- Each year, the children in Year 6 learn and perform in a musical play which all year groups get to enjoy.

In the future

This is about what the school is planning for subsequent years.

- We are looking to expand the musical experiences and extra-curricular offer to all children.
