

31 October 2025

Dear Parents and Carers,

Consultation - Relationships, Sex and Health Education (RSHE).

From 1 September 2026, all schools are required to follow updated government guidance on Relationships, Sex and Health Education (RSHE). As part of our preparations, we are reviewing our curriculum and policy to ensure it is appropriate for our pupils, taking into account:

- Age and stage of development
- Physical and emotional maturity
- Religious and cultural background
- Special educational needs and disabilities (SEND)

We would really value your input as part of this process.

Consultation Meeting Details:

We will be holding a parent and carer consultation meeting on:

 Wednesday 12 November 2025

 4:00pm

 Y6 Classroom

The meeting will last no longer than one hour. Due to the nature of the discussion, children should not be part of the meeting. However, to support with childcare, a senior member of staff will supervise any accompanying children in the adjacent Y3 classroom.

If you are able to attend, please contact the school office to confirm.

Following the meeting, we will share the outcomes with all parents and carers.

Kind regards,

Chris Harris
Acting Principal
