

Dear Borrower,

My name is Ms Roberts and I am the Librarian at Upwell Academy.

We have a wonderful library available at Upwell Academy, filled with exciting and informative books to suit all reading abilities.

I would like to invite you to join our library system which will allow you to write book reviews to share with others, reserve books and create a personalised reading list. The system will inform you of the books you have borrowed, give you access to all of the books available in the library, show you new books to the library, the most popular books and so much more!

You can connect to the library by following the url:
<https://u004419.microlibrarian.net/>

Your personal login details can be found inside your reading record. Once logged in, you can start to explore the site and see what it has to offer.

To start, you can click on the settings tab and personalise your theme and background. Clicking on the help tab will offer you a quick guide around the site to get you started.

If you have any questions, please do not hesitate to contact me using the email address: library@upa.eastern-mat.co.uk

Kindest regards

Ms Roberts
